

CF04-1997

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

DATE: December 6, 2004

TO: Honorable Greig L. Smith, Chair
Public Works Committee
Attn: Sharon Gin, Legislative Assistant
Office of the City Clerk

FROM: William A. Robertson, Director
Bureau of Street Services

SUBJECT: NEIGHBORHOOD COUNCILS, BUSINESS IMPROVEMENT DISTRICTS, OR OTHER COMMUNITY GROUP – PRICE LIST FOR SERVICES PERFORMED BY THE BUREAU OF STREET SERVICES (CF No. 04-1997)

In response to the motion (CF 04-1997) put forth by Councilmembers Smith and Hahn, wherein it was requested that the Bureau of Street Services provide a "price list" for services available to Neighborhood Councils, Business Improvement Districts, or other community groups on an overtime basis, the following information is respectfully submitted:

Bureau of Street Services
Neighborhood Council Price List

<u>Service</u>	<u>Description</u>	<u>Unit Cost (Overtime)</u>
Small Asphalt Repairs	Provides a two-person small asphalt repair truck and necessary materials to perform pothole repair, eroded, flow-line repair, skin patching of depressed areas, interim sidewalk repairs and other types of small asphalt repairs.	4 hours = \$549 8 hours = \$1,098
Spot Cleaning	Provides a two-person over-the-cab loading truck for pick-up of illegally dumped materials and bulky items within the right-of-way including alleys.	4 hours = \$607 8 hours = \$1,214
Machine Street Sweeping	Provides an operator and motor sweeper to perform machine sweeping on public streets as designated by the requestor.	4 hours = \$616 8 hours = \$1,232
Illegal Sign Removal	Provides a three-person task force and vehicles to identify and remove illegally posted signs within the public right-of-way.	4 hours = \$410 8 hours = \$820
Tree Trimming	Provides a full four-person tree trimming crew and all necessary equipment to perform trimming of trees within the public right-of-way in areas designated by the requestor.	4 hours = \$1,024 8 hours = \$2,048

For additional services such as sidewalk repair, curb and gutter repair, access ramp construction, and other work requiring multi-phased construction, please contact the Bureau of Street Services at (213) 847-2933 for an estimate at no cost to the requestor.
